ABOUT US

DREAMPLEX SLED BEARS HOCKEY TEAM

MISSION STATEMENT

Our faith-based mission drives us to include all individuals, regardless of ability, in sports, recreation, therapy, education, and employment, fostering a community of acceptance and support.

HISTORY

In 2021 Dreamplex hosted a sled hockey Jamboree to give kids a chance to try sled hockey while allowing more experienced players to play and compete with the Jacksonville team. The adult team began competing in 2022 with games and tournaments throughout the southeast United States. Dreamplex aspires to offer the adult team more competitive opportunities while initiating the next steps to give kids the opportunity to participate in more youth hockey tournaments.

OUR IMPACT

- 25** *Current total participants with disabilities*
**Total youth with disabilities is 8*
- 15** *Projected # of NEW participants*
- 5** *Projected # of instructors/trainers*
- 5** *Projected # of volunteers*
- 150** *Total People Impacted (athletes, staff, volunteers, instructors, family and friends)*
- 3** *Projected # of Program and Events*
 - A series of practices during and between seasons
 - A clinic or camp to increase participation and build skills
 - The team aims to complete a minimum of 1 competitive tournament

As competitive opportunities are offered, we'll continue to build our youth competitive team.

OUR STORY

In 2009, pediatric therapists serving Central Florida recognized children and adults with disabilities were being left on the sidelines. Motivated by their faith, they dedicated their lives to creating a more inclusive community. In 2015, The Central Florida Dreamplex opened its doors, turning dreams into reality for extraordinary people with disabilities and their families.

TEAM

Dreamplex's efforts to establish adaptive sports opportunities in 2019 included the start of a sled hockey team named the Sled Bears, inspired by Orlando's local hockey team the Solar Bears. Initially, a series of practices were offered to provide children and adults with physical disabilities an opportunity to play hockey. Practices have been offered at the Ice Den in Maitland and at the Ice Factory in Kissimmee to help children and adults with disabilities in Central Florida learn the game of hockey, develop their skills, and have fun.
